Adolph Dubs Death

(R)

Mr. Ben Hill Brown
Chairman of the Awards Committee
539 South Fairfax Street
Alexandria, Virginia 22314

Dear Mr. Brown:

I hereby request that the name of Ambassador Adolph Dubs be included on the Absent Plaque in the "C" street entrance of the State Department.

Ambassador Dubs was killed in Kabul on February 14, 1979. He was captured by terrorist and taken to a hotel room where he was held for approximately four hours. He was killed in the shoot-out which occurred when government troops tried to storm the room.

Please let me know when Ambassador Dubs' name can be inscribed on the plaque and whether a ceremony could or should be scheduled on this occasion.

Sincerely yours,

Sheldon Kryz
Executive Director,
Bureau of South Asia
and Near Eastern Affairs
